

WILLIAM T. FARRINGTON, M.D.

williamtfarrington.com — william.t.farrington@gmail.com

POSITIONS & APPOINTMENTS

Hospitalist, Acute Care (Internal) Medicine Memorial Hermann Hospital-Texas Medical Center – Houston, Texas	04/2024 – 03/2026
Assistant Professor of Emergency Medicine, Hospitalist Division McGovern Medical School at UTHealth – Houston, Texas	04/2024 – 03/2026

EDUCATION & TRAINING

Internal Medicine Internship & Residency Texas Health Presbyterian Hospital – Dallas, Texas	06/2020 – 06/2023
Doctor of Medicine Texas A&M College of Medicine – College Station, Texas	07/2015 – 05/2020
Bachelor of Science in Biomedical Engineering, <i>cum laude</i> Texas A&M University – College Station, Texas	08/2011 – 05/2015

LICENSURE & CERTIFICATION

Pennsylvania Medical License Pennsylvania State Board of Medicine	05/2026 – Present
Controlled Substance Registration (2/2N/3/3N/4/5) Drug Enforcement Administration	02/2024 – Present
Texas Medical License Texas Medical Board	11/2023 – Present
Board Certification in Internal Medicine American Board of Internal Medicine	10/2023 – Present
Advanced Cardiovascular Life Support	01/2017 – Present

LEADERSHIP & SERVICE

Memorial Hermann Hospital-Texas Medical Center

Pilot User & Edge-Case Tester, Hospitalist Cohort Regard AI EHR Copilot Implementation Team	01/2026 – 03/2026
Active Member & Root-Cause Analyst Hospitalist Division Quality Assurance Committee	08/2024 – 03/2026
Active Member, Medicine Service Line Memorial Hermann Accountable Care Organization	04/2024 – 03/2026

Clinical Beta Tester, Hospitalist Cohort Ambiance AI Scribe Beta Utilization Team	08/2025 – 12/2025
Physician Member, Oncology & Transplant Service Lines Physician & APP Workflow Optimization Task Force	06/2025 – 08/2025
Epic SlicerDicer & Inter-Operability Analyst Capacity Management Dashboard Analytics Task Force	04/2025 – 06/2025
Viability Analyst & Hospitalist Cohort Representative Viz.AI Aortic Dissection Classifier Implementation Team	08/2024 – 04/2025

Texas Medical Association

Executive Council Member & House Delegate Resident & Fellow Section	05/2022 – 04/2023
Resident Delegate Council on Constitution & Bylaws	05/2022 – 04/2023

Texas Health Presbyterian Hospital

Resident Wellness Advocate Wellness, Advocacy, & Research Committee	07/2022 – 06/2023
Resident Representative Quality Improvement & Patient Safety Committee Sepsis Committee Infection Prevention & Control Committee Ethics Committee	07/2021 – 06/2023

Texas A&M College of Medicine

Applicant Ambassador Engineering Medicine (EnMed) Program	10/2019 – 05/2020
Student Wellness Advocate Student Body Executive Committee	09/2015 – 05/2020
Triage Volunteer Hurricane Harvey Response Team, NRG Site	08/2017 – 09/2017
ESL Program Instructor, Low-Exposure Hispanic Cohort Bryan Adult Learning Center	09/2015 – 04/2016

Texas A&M University

Trainer & Volunteer Student Counseling & Suicide Helpline	12/2012 – 09/2016
Pre-College Initiative Chair National Society of Black Engineers, Texas A&M Chapter	03/2012 – 05/2014
Medical Technician Engineering World Health – Rwanda Institute	05/2013 – 08/2013

RESEARCH & SCHOLARSHIP

Publications

Peer-Reviewed

Case Reports

Farrington W, Farahani F, Tayon K, Rudzinski J, Feldman M, Sharma K. Multiple coinfections and Guillain Barré syndrome following outdoor travel to the American Northeast. *Proc (Bayl Univ Med Cent)*. 2023;36(3):386-388. doi:10.1080/08998280.2023.2167049

Abstracts

Tabba S, **Farrington W**, Patel T. Refractory macrophage activation syndrome in a patient with adult-onset Still's disease. *J Hosp Med*. 2024. Abstract 869. <https://shmabstracts.org/abstract/refractory-macrophage-activation-syndrome-associated-with-adult-onset-stills-disease/>

Tabba S, Hosseini P, **Farrington W**, Sannapaneni S, Weinstein G. Development of achalasia and broncho-esophageal fistula in the setting of active pulmonary tuberculosis. *Am J Respir Crit Care Med*. 2022;205:A1889. doi:10.1164/ajrccm-conference.2022.205.1_MeetingAbstracts.A1889

Collaborative & Open-Access

Lewis C, **Farrington W**. Involuntary psychiatric hold. WikEM. October 8, 2019. https://wikem.org/wiki/Involuntary_psychiatric_hold.

Presentations

Posters

Tabba S, Hosseini P, **Farrington W**, Sannapaneni S, Weinstein G. Development of achalasia and broncho-esophageal fistula in the setting of active pulmonary tuberculosis. *American Thoracic Society 2022 International Conference*; May 15, 2022; San Francisco, CA.

Lectures

Chen J, Boyars M, **Farrington W**. Pathway to safe discharge resident workshop: collaborative medication reconciliation for discharge. *Memorial Hermann Hospital-Texas Medical Center*; September 26th, 2025; Houston, TX.

Farrington W. Cardiac disease management for the orthopedic surgery intern. *McGovern Medical School*; July 10th, 2025; Houston, TX.

Farrington W. Infectious disease management for the orthopedic surgery intern. *McGovern Medical School*; July 10th, 2025; Houston, TX.

Farrington W. Admitting an emergency department patient (2025 edition): a hospitalist triage primer for interns. *McGovern Medical School*; July 10th, 2025; Houston, TX.

Farrington W. Selected evidence for multifactorial improvement in patient outcomes in teams utilizing patient care technicians & nursing assistants. *Memorial Hermann Hospital-Texas Medical Center*; June 19th, 2025; Houston, TX.

Farrington W. Admitting an emergency department patient (2024 edition): a hospitalist triage primer for interns. *McGovern Medical School*; July 16th, 2024; Houston, TX.

- Farrington W.** Morbidity & mortality conference: diagnostic obfuscation of early-onset Guillain-Barré syndrome due to presenting critical illness. *Texas Health Presbyterian Hospital*; February 10th, 2023; Dallas, TX.
- Farrington W.** Gun violence in the United States of America: a synthesis of public health & medical literature. *Texas Health Presbyterian Hospital*; January 24th, 2023; Dallas, TX.
- Farrington W.** Clinicopathologic conference: autoinflammatory cardiomyopathy and the diagnostic challenges of macrophage activation syndrome. *Texas Health Presbyterian Hospital*; December 16th, 2022; Dallas, TX.
- Farrington W.** The intern's first day alone: a systematic approach to managing patients and oneself. *Texas Health Presbyterian Hospital*; June 25th, 2022; Dallas, TX.
- Farrington W.** Clinicopathologic conference: integrative diagnosis & treatment of macrophage activation syndrome. *Texas Health Presbyterian Hospital*; September 17th, 2021; Dallas, TX.
- Farrington W.** Morbidity & mortality conference: code stroke operational vulnerabilities demonstrated by treatment-ineligible patient. *Texas Health Presbyterian Hospital*; July 9th, 2021; Dallas, TX.

Assignments

Texas Health Presbyterian Hospital

Patient Traffic Data Analyst	06/2022 – 04/2023
Internal Medicine Residency Continuity Clinic	

Texas A&M University

Research & Development Intern	09/2014 – 04/2015
Center for Remote Health Technologies & Systems	
Student Research Assistant	05/2012 – 02/2013
U.J. McMahan Neurology Laboratory	

HONORS & AWARDS

Written Commendation, Repeated Excellence in Documentation Compliance	10/2025
UTHealth Senior Coding & Compliance Team	
Written Commendation, Repeated Excellence in Intra-Departmental Relations	01/2025
Emergency Medicine House Staff Survey	
Outstanding Case Report Finalist (4th Place)	05/2022
American Thoracic Society	
Clinical Simulation Tournament Medalist (1st Place)	05/2019
Texas A&M School of Medicine	
Terry Scholar	08/2011
The Terry Foundation	
Moody Scholar	08/2011
The Moody Foundation	

AFFILIATIONS & MEMBERSHIPS

The Terry Foundation Alumni Association	05/2015 – Present
Texas A&M Association of Former Students	05/2015 – Present
American Medical Association	12/2023 – 12/2024
Harris County Medical Society	12/2023 – 12/2024
Texas Medical Association	07/2015 – 12/2024
American College of Physicians	07/2021 – 06/2023
Dallas County Medical Society	07/2020 – 06/2023
Alpha Epsilon Delta Health Preprofessional Honor Society	08/2013 – 05/2015
Texas Iota Chapter	

SKILLS & INTERESTS

Clinical

Electronic health record heuristics & informatics – risk stratification, medication reconciliation, continuity optimization, smart templating, data filtering, and beta testing

Adaptive & multi-modal clinical strategies – interdisciplinary communication & care coordination, patient-family & trainee education

Triage & inpatient capacity management

Para-Clinical

Software development & design theory – requirements analysis, systems-level modeling & security, database management & visualization, human-computer interaction

Spanish language – working clinical proficiency

Python & Bash automative scripting

Personal

Open-water scuba diving

Calisthenics & functional mobility

Mindfulness-based meditation

Piano composition & improvisation

Camping & astrotourism
